

Dundee Korfball Club

DundeeDay Summer Tournament 2012

Date: Sunday, May 27th, 2012

Time: 11am-5pm (pitch/venue time. First game starts at 11:10am, last game ends at 4:30pm)

Venue: Dawson Park, Arbroath Road, Dundee DD5 1PJ. Use the car park at the end of Dunnottar Place if you can (turn right off the A930, down Fairfield Rd., left on Strathern Rd., and next left into Dunnottar Pl. and the car park). We'll be on the astro / near the West Pavillion (see map).

Contact / organiser: Nigel Cooper, 07817 640432, nigel@dundee.korfball.org.uk

Surface: All games will be played on a nice, sand-based astro pitch: please wear appropriate footwear (studded boots are NOT allowed – astro boots and normal trainers are fine).

Showers / toilets: We will have access to separate male and female changing rooms throughout the day, but there is only one set of toilets and showers. Shower-times will be rotated (M/F 10-15 minute blocks) after 4pm.

Plan / rules: This will be a traditional, outdoor, single-day event for teams of 8 players each. Normal korfbal rules will apply. Each team will play all other teams once in a series of 30 minute games (no half times). 2 points for a win, 1 for a draw, highest number of points at the end of the day wins the trophy (goal differences don't matter). In the event of a points tie at the end of a day, final places will be decided by sudden-death penalty shootouts. 😊

Food, drink & conduct: This event is being held in a public place; so please behave yourselves and help to build a good reputation for korfbal in Dundee. In particular, **please respect the Park's no alcohol policy**. Food (hopefully including pasta, bacon butties and a BBQ) will be available around lunch-time in exchange for some vouchers that we will distribute on the day (these will need to be paid for up-front along with your team's entrance fees, as we are not allowed to sell food for money in the Park). There is a large Sainsbury's nearby too, in the event of an emergency!

Referees: Each team is expected to provide at least one referee. The event will work best if each team has several referees and rotates them, because otherwise there will be very little time to rest (for single refs) between games – see below.

Schedule:

See table overleaf

The schedule is only provisional – so please let me know if you spot any mistakes

Each team should get to play 5 x 30 minute games, with no more than two successive games on and no more than one game off between matches.

There is a 10 minute break / warm-up time between games.

Whenever a team has a game off, they are expected to be refereeing another game (hence the request to provide several referees).

Dawson Park

Dawson Park is the result of a bequest in 1940, by Mr William Dawson of Broughty Ferry "For the purpose of providing playing fields, sports grounds or other recreational facilities and the upkeep and maintenance thereof...for the citizens of Dundee, and particularly those of Broughty Ferry." The ground was purchased from the Douglas and Angus Estate in 1949, and the park was opened in the mid 1950's.

The park has feature plantings, a sunken garden, and a formal cherry avenue along the north axis, which is particularly stunning in spring.

Duntrune Demonstration Garden, which aims to provide information and ideas for small gardens, is also located within the heart of the park.

Opening times: weekdays 9am - 3:30 pm
weekend openings limited to programmed demonstrations

Key:

- Entrance / Exit
- Bus Stop
- Toilets (restricted hours)
- Parking
- Cycle Network (section)
