

Dundee Korfball Club

DundeeDay Summer Tournament 2013

Date: Sunday, May 26th, 2013

Time: 10.30am-4:30pm (pitch/venue time. First game starts at 11:00am, last game ends at 4:30pm)

Venue: Dawson Park, Arbroath Road, Dundee DD5 1PJ. Use the car park at the end of Dunnottar Place if you can (turn right off the A930, down Fairfield Rd., left on Strathern Rd., and next left into Dunnottar Place). We'll be on the astro / near the West Pavillion (see map).

Contact / organiser: Nigel Cooper, 07817 640432, nigel@dundee.korfball.org.uk

Surface: All games will be played on a nice, sand-based astro pitch: please wear appropriate footwear (studded boots are NOT allowed – astro boots and normal trainers are fine).

Showers / toilets: We will have access to separate male and female changing rooms throughout the day, but there is only one set of toilets and showers.
Shower-times will be rotated (M/F in 10-15 minute blocks) after 4pm.

Plan / rules: This will be a traditional, outdoor, single-day event for teams of 8 players each. Normal korfbal rules will apply. The format is a simple round-robin – every team plays every other team once in a series of 20 minute games (no half times), earning 2 points for a win, 1 for a draw, and 0 for a loss. *In the case of any ties on points at the end of the day, head-to-head results will be used, then goal difference, then sudden-death penalty shootouts. ☺

Food, drink & conduct: This event is being held in a public place; so please behave appropriately at all times and help to build a good reputation for korfbal in Dundee. In particular, **please respect the Park's no alcohol policy, and dispose of litter into the bins provided**. Food (bacon butties and BBQ'd burgers) and drink (tea/coffee) will be available in exchange for donations to cover costs (we are not officially allowed to sell food in the Park). There is a large Sainsbury's nearby too, in the event of any shortages in the food & drink department.

Referees: Each team is expected to provide at least one referee. The event will work best if each team has several referees and rotates them, because otherwise there will be very little time to rest (for single refs) between games – see below.

Schedule:

See tables overleaf – one arranged by pitch number, one arranged by teams (in columns).

Each team gets to play eight games in total, with no-one playing more than three games on the trot.

There is a 5 minute break / warm-up time between games: teams and referees should be on the pitches, ready to set up divisions 3 minutes before each game.

Whenever a team has a game off, they are expected to be refereeing another game (hence the request to provide several referees).

Dawson Park

Dawson Park is the result of a bequest in 1940, by Mr William Dawson of Broughty Ferry "For the purpose of providing playing fields, sports grounds or other recreational facilities and the upkeep and maintenance thereof...for the citizens of Dundee, and particularly those of Broughty Ferry." The ground was purchased from the Douglas and Angus Estate in 1949, and the park was opened in the mid 1950's.

The park has feature plantings, a sunken garden, and a formal cherry avenue along the north axis, which is particularly stunning in spring.

Duntrune Demonstration Garden, which aims to provide information and ideas for small gardens, is also located within the heart of the park.

Opening times: weekdays 9am - 3:30 pm
weekend openings limited to programmed demonstrations

Key:

-  Entrance / Exit
-  Bus Stop
-  Toilets (restricted hours)
-  Parking
-  Cycle Network (section)
